

Get BBQgo Pro from APP Store or Google Play.
Or you can scan the QR code below to download
the app directly.

Your iOS devices must be running iOS 13.0 or
above and your Android devices must be running
Android 5.1 or above to download the BBQgo app.

BBQgo Pro

iOS

Android

BBQgo Pro app is a good choice for you if you only
purchased this product of our brand, it is a standalone app
and you don't need to register an account or log in when
using it.

If you have purchased other products of our brand, the
Inkbird PRO app will be more suitable for you. For users
who have registered and logged in before, there is no need
to register or log in again for this connection, just enter the
app to connect.

See back for details and instructions.
