## Easy smart lighting

Vintage bulbs meet modern features with this A60 LED smart bulb, which features a coiled inner filament, warm-to-cool white light, instant dimming, and E27 base to fit most standard fixtures.

### Easy smart lighting

- Control up to 10 lights with the Bluetooth app
- Control lights with your voice\*
- Set the right mood with soft white light

### Limitless possibilities

- Vintage design meets modern capabilities

# Highlights

## Control up to 10 lights

With the Hue Bluetooth app, you can control your Hue smart lights in a single room of your home. Add up to 10 smart lights and control them all with just the touch of a button on your mobile device.

## Vintage design meets modern

Capture the popular look of Edison bulbs, featuring a distinct glowing inner coil and transparent globe, with smart filament bulbs.

These smart retro-style LED bulbs combine the look and feel of simple vintage design with the power of Philips Hue smart lighting.

## Control lights with your voice

Get hands-free control of your lights and use your voice instead! Simple voice commands allow you to control multiple lights in a room or just a single lamp. \*Works with the Google Assistant and Amazon Alexa.

## Set the right mood with light

Hue bulbs and light fixtures use a soft white light. Dimmable from bright daylight to low nightlights, these smart lights allow you to fill your home with just the right level of warm light when you need it.

# Specifications

## The bulb
